## PROFILE

I am a well-rounded and highly driven individual powered by curiosity. I've been blessed with an innate sense of balance between structural 'big picture' thinking and distinct creative craftsmanship. My strength lies in a hyper-committed work ethic and ability to learn and adapt to new tools, processes, or problems. I enjoy tackling new challenges with others and collaboratively arriving at a fresh and sound solution.

## EXPERIENCE

**PUNCHCUT** – San Francisco, CA  
*Visual Designer* – 2011-2013  
*Senior Visual Designer* – 2013-Present

Led design efforts on a wide range of experiences for various clients while managing junior designers, contractors, interns and contributing to company thought leadership.

**BBH** (Bartle, Bogle, & Hegarty) – New York, NY – 2010  
*Creative Technologist Intern*

Worked with the creative team behind the Google Chrome account to aid in pitch work and explorations of various in-house projects.
